

Color Guard Performance Day

What to bring inside your green duffle bag:

- Brush, hairspray, extra hair ties
- Make-up (for touch-ups)
- Water bottle
- Gloves
- Green band t-shirt
- Green warm-ups (pants only for HOT weather games)
- Tennis shoes

Procedures:

- Arrive at the time announced during the last practice the day before a performance
- You need to arrive with your hair and make-up already done – come early if you want to do it together or you need help
- Run-through/rehearsal – you will wear your green band t-shirt and shorts unless we tell you otherwise for the practice before a game/performance. You will change into your uniform as directed below depending on the location of the performance.
- At arrival time, you will line-up in the same line as the band students to pick-up your uniform from the uniform room. For games at Tully: You will quickly change into your uniform immediately after our run-through BEFORE we line-up to walk over to Tully. For travel games: You will wear your warm-ups and green band t-shirt on the bus. You will change into your uniform as soon as we arrive at the stadium.

*For the first 2 games, you will wear the same uniform as the band – green band t-shirt, khaki shorts, low rise/ankle socks, and tennis shoes.

Color Guard Fall Show Make-up
